

Habitat for Humanity of Kitsap County is non-profit Christian ecumenical organization that works in partnership with God and people everywhere to build decent, affordable houses for God's people in need.

Our primary objective is to provide housing that is simple, decent and affordable to purchase. The objective is to build durable housing that meets the needs of the families selected to own them.

Families are chosen on the basis of:

1. Need for housing
2. Ability to make the "Habitat House" mortgage payments.
3. Willingness to partner with Habitat in accomplishing our mission.
