

Team Builds

build morale and a better world

Help families find decent, safe, affordable places to live! Join Habitat for Humanity of Kitsap County on our build site or at our Store. Team build days offer your team the opportunity to work alongside key volunteers, homeowners, and members of the community. You'll raise walls and funds that will serve local families for generations to come. And the impact on your team will be just as strong! Their tired muscles will recover in a few days, but the joy and camaraderie they built while serving together will last much longer! Your sponsorship and volunteer hours make our work possible! Schedule your Team Build today!

Team Build Day Options

\$2500 donation for every 10 volunteers
